Correspondence Address: Kevalram Galli, Ausa, Latur - 413520, Maharashtra

Results-driven Computer Engineering student skilled in developing innovative tech solutions and passionate about building impactful digital experiences with the help of AI proficiency, Bridging code & creativity

Sandipani Technical Campus, Kolpa, Maharashtra Currently pursuing
B.Tech in Computer Engineering

VAPM Almala Ausa, Maharashtra
Diploma in Computer Engineering 09/2022 - 04/2025
- Among the top 5% of the batch

Shri. Mukteshwar Vidyalaya, Ausa Latur, Maharashtra
- Scored 80.60% in SSC board Examination(10th) 2022

Skills & Interests

Technical: Python, Java, PHP, JavaScript, HTML/CSS, MySQL, Git/GitHub, and Linux OS; familiar with Flask, Tailwind CSS, and REST APIs.
Language: English, Marathi, and Hindi.
Interests: AI storytelling, game modding (Minecraft), tech content creation, digital design, and building automation systems.

Certification

- Microsoft Excel for Data Analyst – Aug'2024
- Introduction to Software Testing – Aug'2024
- Volunteer in Vishwa Vertex – Feb'2025
- Participation in RSML competition – Mar'2025

Projects

Real Estate Website Jul'2024 – Mar 2025

- Developed a real estate website for reducing the time required to search properties using basic algorithms
- Used HTML, Tailwind CSS, React JS for frontend and Python (Flask API) for backend with MySQL for database
- As result found that, This require more AI driven algorithms to enhance the user experience rather than using basic algorithms

Python Text to Audio Book Jan'2025 – Feb'2025

- Developed for reducing the time required for reading a book. Making It easy to hear the book by uploading to the software.
- Used pure Python for implementation
- As a result of this project, Created an audio book library where user can upload his books and listen to them when ever they want.

Achievements & Activities

- Led the PPT presentation competition in college
- Runner up in RSML project competition among 200+ participants
- Led a team of **4 developers** to create a **Real Estate Website project** used by over **100 simulated users** during project demonstrations.

Experience

- Do not have any active past Experience but looking for it aggressively
